The grant funds will be maintained in a separate account within the Glenn County Health Services Department budget, as required in the Enforcement Assistance Grants Program Financial Control Mechanisms document. Expenditures will be divided into three categories:

Equipment:

This budget will be expended to supply the enforcement program with monitoring and safety equipment and supplies as needed.

Training:

The training budget includes tuition and per diem for two staff members. We plan to attend training programs sponsored by CIWMB as well as appropriate courses offered by other agencies and intuitions .

The training budget will be expended over the course of the year as training programs become available.

Professional and Consulting Service:

These services will be used to maintain routine landfill and closed facility inspections at the required frequency. These services may also be required to assist in preparing and revising solid waste facility permits.

Unexpended funds:

Unexpended funds will used to pay for LEA staff salaries.

Performance Objectives :

In addition to the goals and objectives listed in Section IV of the Glenn County EPP we plan to utilize the grant funds to meet each of the following objectives:

- 1) Meet the required inspection frequency for each solid waste facility.
- 2) Allow staff to attend training in solid waste enforcement as opportunity arises.
- 3) To meet the statutory and regulatory time requirements for processing solid waste facility permits, permit reviews and closure /post-closure documents.
